

Easter egg Hunt!

We are very excited to announce that our 1ST annual Easter Egg Hunt will be running from the 2nd of April until the 18th of April 2021.

The children who were in school during Lockdown have been busy decorating 26 Easter eggs to hide around the village this weekend. To accompany the trail, we have created a map to help you find them for each child, we are asking for a £2 donation to the HSA for each map purchased which will come with an Easter egg.

Funds raised by the HSA are used to subsidize school trips and fund equipment that school would otherwise be unable to afford.

Please fill in the slip below letting us know how many maps and eggs you would like, returning them by Tuesday the 30th of March so that we can make sure we have enough eggs for everyone that would like one.

Eggs and maps will be sent home with children on Thursday the 1st of April 2021.

Please give all monies directly to school.

Please adhere to all Covid Guidelines when enjoying the trail.

Please can I purchase Maps and eggs for the Easter Trail 2021.

Childs Name.....

I enclose £ donation to the HSA
