Equipment and resources	£400	X2 Football nets (£300) High 5 balls. Skipping ropes.

PE coordinator comments

A year 5 girl has qualified for England cross country championships in running.

The PE survey suggests that children would like to try the following new clubs: climbing; gymnastics; dance; drama; tennis; rugby; cycling; and cheerleading. The highlighted clubs are provided academic year 2016 2017. It is the intention that one off sessions for hill walking, archery, climbing and sailing will be possible in the academic year 2016-2017.
We are currently looking into year 4 also taking part in cycle wise training during the academic year 2016-2017.

There continues to be a lack of local nearby competitive sports where children do not have to travel to take part. There may be a need to put some of the money from sport funding into a local activity possibly at school or the sports and social club.

A letter was received in Autumn term from Gary Weatherburn commenting on the children's excellent behaviour and attitude to learning in their tennis sessions. Children were engaged and enthusiastic in their learning.
