PE coordinator comments

A year 6 girl and year 5 boy qualified for National schools cross country championships in running. They travelled by coach with Miss Beaumont to Prestwold (Leicestershire) on Saturday 24th March 2018. The girl came 137th out of 251 and the boy 102nd out of 270!

School Council suggests that children would like to try the following new clubs: climbing; biking; dance; drama; and cheerleading.
It is the intention that one off sessions for hill walking, archery, climbing, sailing and skiing will be possible in the academic year 2017-2018.
We are currently looking into year 4 also taking part in cycle wise training during the academic year 2016-2017.
There continues to be a lack of local nearby competitive sports where children do not have to travel to take part. There may be a need to put some of the money from sport funding into a local activity possibly at school or the sports and social club.

The year 5/6 children walked up Coniston Old Man.
A letter was received in Autumn term from Gary Weatherburn commenting on the children's excellent behaviour and attitude to learning in their tennis sessions. Children were engaged and enthusiastic in their learning.
We hosted this year's inter school Lacrosse competition and came 4th overall.
Four children represented Coniston Primary School in the Cumberland and Westmoreland wrestling competition held at Ambleside Sports in July.
Since the children have had acro coaching there are now 5 pupils attending sessions during the week.
The year 3/4/5/6 children are having the opportunity to attend horse riding sessions. 2x 3 hours each. This includes theory work about caring and looking after a pony; mucking out and grooming; ½ hour lesson in the school; a hack out and; feeing a pony. 3 children attend the riding school.
A year 3 & 4 1 night residential in outdoor and adventurous activities has been introduced this academic year. This is a transition to a longer year 5&6 residential.
Years 5&6 children were taken to Chill Factor for a ski lesson and Snow Park with current year 7's as a transition sports activity in to secondary school. John Ruskin School have a ski trip in year 8 and upwards.
Supporting local families.
Free after school clubs – accessible to all of all age ranges. Inclusive to all children.
Building stamina, confidence, resilience and sense of achievement.
Raising schools profile through social media- Facebook and Twitter.
