Sport Premium Impact Report 2020-21

In 2020-21 the allocation is a lump sum of £16000, plus £5 per pupil. This school received £16420.00

The Sport premium Grant for 2020-21 was targeted towards:

Item	Budget	Plans
Inter-school events and competitions delivery & organisation	£1000	No inter school events this year except virtual. See virtual events below
PE coordinator professional development programme. Linked teaching with coaches and teaching assistant PE support.	£2657.76	Attend PE courses on line where relevant to improve the teaching and learning. Continue plans for federation with John Ruskin School and work together on policies. PE coordinator to continue the teaching by drawing on experiences with former coaches.
Linked teaching with PE coordinator and teaching assistant for PE continuity and support.	£1668.80	Staff continue to work alongside the PE coordinator to support transition to no coaches with consideration that funding might expire in the near future. This ensures continuity in teaching PE across the whole school.
Running Club with PE coordinator and TA	£784 £560	Promotes sport Inclusion for all as 90% of the school children now attend this club. It's an active club to help combat obesity in young children regardless of fitness level. (Childhood obesity: a plan for action Jan 2017). Enables school to support sports gifted and talented children for county competitions. (Cancelled this year) Promotes an avenue in to local running clubs and national competitions – Ambleside and Broughton runners. Club split between 2 groups to ensure bubbles were kept apart so 2 clubs ran for the year when school was open. PE coordinator arranged virtual Winter run, Christmas elf run and summer run.
Transport to events and competitions curricular and extra-curricular	£240.00 £150.00 £150	Most events were cancelled. One trip went ahead for a cross country in Spring. Local mini bus has enabled access to OAA during the summer months when restrictions were lifted.

£16238.36

We used this opportunity to up skill two TA's in PE teaching across the school by working alongside the PE coordinator in delivery. We focussed on inclusion for all and targeting children who have found it difficult to compete in competitive sport, have low self esteem
The focus of PE has been to improve mental health and well-being with all pupils and ensure that all pupils are participating fully and enthusiastically.
Three Teaching Assistants have worked alongside the PE coordinator for professional development delivering these sessions and in order to be consistent were bubbles. Classes were split across the Key stages ensuring bubbles remained in place and equipment was designated to each bubble.

We have established a link with Coniston Bowling club by hiring their equipment this year and they've offered to host the classes with some sessions at their club.

Years 5/6 completed Cyclewise training and 80% of the school use their bikes/ scooters during Bike to school week and travelling to and from school throughout the week. (NB consider sport funding to secure more bike stands in school as children are leaning them against trees etc as stand is full).
If Active Travel get funding then we are currently looking into year 4 also taking part in cycle wise training during the academic year 2021-2022
Started Wheelie Wednesday in school. All children are encouraged and supported riding their bikes/ scooters safely in the playground every Wednesday. Children wear helmets and can bike/scooter at playtimes and dinner time. As it's a controlled environment they follow a one way system and can practice their hand signals and things they've learnt during Cycle Wise training.

We continue to use many outdoor centres locally that provide opportunities for the children to have the confidence and contacts to access those centres outside school time with families:

- John Ruskin Secondary School – Annual Fell Race, inter school competitions, work experience, PE specialist teacher teaches Netball and Swimming.
- Better – Ulverston Leisure Centre astro for inter school hockey, tennis and football matches.
- Windermere Outdoor Centre – Watersports KS1
- The Lakes School – Inter school cluster sporting competitions KS1 and KS2
- Windermere School – Cross country competition KS2
- Ambleside Climbing Wall – children attend private tuition
- Nicola Moorhead Dance School – Children attend private tuition and Nicola teaches dance
- Windermere Hockey Club – Children attend sessions
- Cumbria Pole Art Barrow – Children attend private tuition
- Witherslack Hall Equestrian – children attend private tuition and pony club.
- Raymond Priestley Centre – KS2

2 hours of PE per week for each class Reception to year 6.
Active play time – games/ resources purchased bikes, skipping balls, skipping ropes etc
PE extra curricular clubs – Running all year; football; cricket; games; amongst others.

Working with school nurses, health centres, healthy weight teams, community clubs
This year we entered all of our children in the Lakeland 100 Montane Santa run. Children dressed in elf hats and ran a distance appropriate to their age group across 2 sessions. The children continue to stay very motivated running with 70% of our KS1 pupils and 85% KS2 attending running club.

Parents being active with children –
Couch to 5K Sports and social club; Cricket All Stars; Walking; Cycling; Sailing

PE survey will be sent out to parents and pupils at the start of academic year 2021/2022. We wish to ascertain the impact of sport delivered through virtual competitions etc during the Covid 19 pandemic, with a focus on both physical and mental well-being.
